SPEAKERS

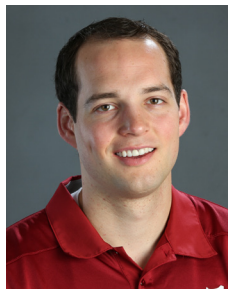

Ed Allen- UA Head Coach

Allen has guided the Crimson Tide to unprecedented success during his six seasons at the helm, including back-to-back NCAA Tournament appearances, a school record for wins in a single season and multiple volleyball attendance records at Foster Auditorium. Under his guidance, several players have garnered All-American and Academic All-American honors. In 25 years as a head coach, Allen owns a 610-261 (.700) record.

Keylor Chan - Samford Head Coach

Chan is coming off a successful first season at the helm of Samford volleyball, guiding the Bulldogs to an NCAA Tournament appearance following a Southern Conference tournament title. Prior to Samford, Chan compiled a successful 15-year head coaching stint at Northwestern, leading the Wildcats to four NCAA Tournament appearances, including the program's first tournament wins in 2005 and 2010.

Ryan Freeburg - UA Asst. Coach

Freeburg joined the Crimson Tide coaching staff in 2014, bringing several years of club coaching and directing experience. Prior to his time at Alabama, he was an assistant coach at Dayton and George Washington and spent four years as both a student manager and volunteer assistant at Purdue under head coach Dave Shondell.

Tristan Johnson - UA Asst. Coach

A graduate of the University of Alabama, Johnson returns to his Alma Mater as an assistant coach for the Crimson Tide following three seasons at Arkansas State. With the Red Wolves, he spent two seasons as the assistant coach before being promoted to the associate head coach in 2016, working primarily with the team defense. In 2015, he was named to the AVCA "Thirty Under 30" list of up-and-coming volleyball coaches.
